Meet Our Newest Candidates

Dennis Pierce | President, Brotherhood of Locomotive Engineers and Trainmen
Candidate for At-Large Vice President

"I am proud to join the Vairma-Herrera 2021-Teamster Power Slate. When the Rail Divisions of the Teamster Rail Conference merged in the early 2000's, the President of the Rail Conference was granted the right to attend all meetings of the General Executive Board as a non-voting participant. As such, I have attended meetings of the General Executive Board for over 10 years, and I have seen the way that Steve Vairma and Ron Herrera represent their members. Steve Vairma and Ron Herrera recognize that Rail Conference Teamsters should have a seat at the table. I am committed to preserving and improving the working conditions, salaries, benefits and pensions of all Teamster members, whether that takes place at the bargaining table, within the regulatory framework of the government, or in the halls of Congress."

John Scarcy | Secretary-Treasurer, Local 117
Candidate for Western Region Vice President

"Diversity, unity, strong contracts, and healthy communities -- these are the values that the Vairma-Herrera Teamster Power Slate stands for and will always fight to expand and protect. Our Union's membership deserves exceptional leadership that will think strategically and work tirelessly to mobilize, organize, and raise standards for all workers so that we can grow our Teamsters Union and reinvigorate the labor movement in the United States and Canada. The Teamster Power Slate will provide that leadership and I am deeply honored to join the women and men on this team."

Peter Núñez | President, Local 431
Candidate for Trustee

"I am humbled and honored to join the Vairma-Herrera Teamster Power Slate and run as an International Trustee. The Vairma Herrera Teamster Power Slate recognizes the importance of diversity and reflects that diversity in the people they have asked to join with them on this mission of representation, integrity, and inclusion. We need leadership that recognizes that UNITY is not just a word, but a goal and an expectation for longevity. I believe Steve Vairma, Ron Herrera and Teamster Power Slate are the right team of Teamsters to lead us toward that goal."
